KITÁ

Founded in 2010, Kitá Wines is our small, premium winery located in the heart of the Santa Ynez Valley.

The word "Kitá" means "Our Valley Oak" in the Santa Ynez Chumash native language of Samala. Like the valley oak, our wine highlights the gifts from Mother Earth and embodies the spirit of the Santa Ynez Valley. We focus on respecting the balance of soil, climate, location and taste.

With a total case production of around 2,000 cases, Kitá wines are crafted using sustainable methods and a blend of old world and new world winemaking techniques. All of the wines have been harvested by hand based on a balance of chemistry and taste to preserve the highest quality. Our wines are produced in small batches aiming to have minimal manipulation and maximizing varietal traits.
